

2023 PEBBLE MINE POLLING UPDATE

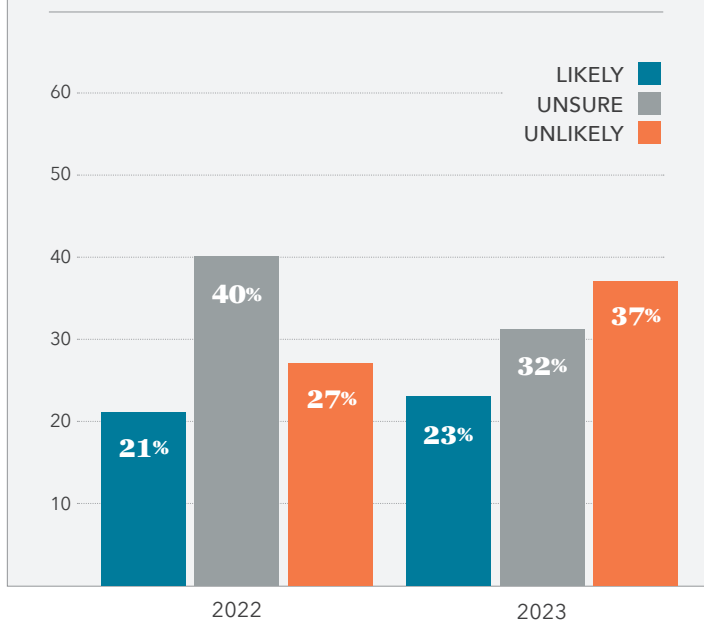

Alaskans remain opposed to Pebble mine

OPPOSE SUPPORT

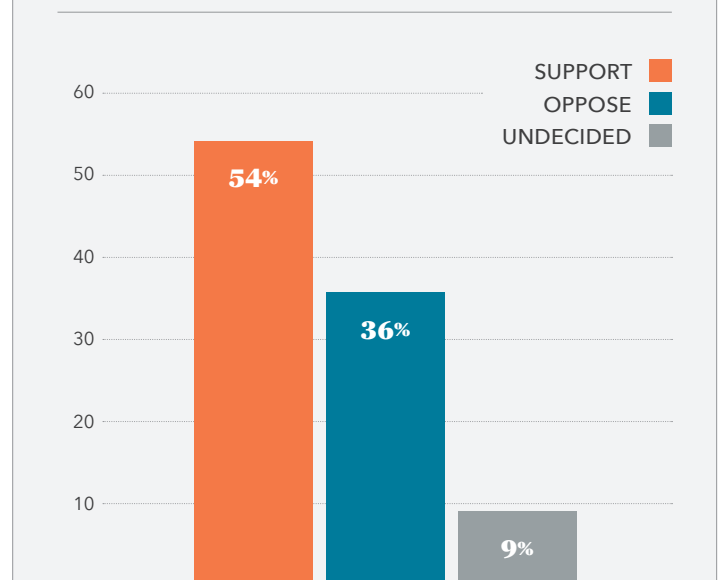

Alaskans are increasingly skeptical Pebble mine will get built

What do you think the likelihood is of the Pebble mine getting built?

Alaskans support using the Clean Water Act to block Pebble mine

A clear majority of Alaskans support EPA's recent use of the Clean Water Act to block a potential permit for the Pebble mine project and thereby prevent its development.*

* Numbers do not add up to 100 due to rounding

Data is based on a February 2023 survey of 800 registered voters in Alaska
